AMENDMENT AFTER ALLOWANCE UNDER 37 CFR 1.312

Please note that the Part B-Issue Fee Transmittal Form has incorrect information. Under "Title" the word "coefficient" is spelled incorrectly. The correct Title should read -- Giant Magnetoresistive (GMR) Sensor Element with Enhanced Magnetoresistive (MR) Coefficient-- as is shown on the enclosed Declaration Cover Sheet. A request to amend the title to correct the spelling of Coefficient was made in the Amendment dated 4/3/01. Please correct this error before the patent issues.

On the Notice of Allowability the Examiner has made a request for a New Oath or Declaration. Enclosed please find a copy of the New Declaration which was sent to the Examiner's attention on May 11, 2001.
